

# FilterEasy

Trusted Partners In Protecting Your Property

Our premier air filter delivery service ensures tenants change their filters on time.

Exact quantity and size of filters required for a single change are delivered to the front door.

Package includes personalized message with instructions on how to change filters.

Filters are delivered on schedule as a timely physical reminder to change them.

Filters are delivered when a tenant moves in or renews, and on schedule until their lease ends.

Air filters are no longer "out of sight, out of mind" for tenants.

Every filter has an expiration date which allows your property manager to hold the tenant accountable

## Love it!

We love the convenience of FilterEasy. We never need to worry when the last time we changed the filter and the box makes it easy to dispose of the old filter.
